

2022 Convention Wagon Train Pledge Drive

The ganders in the Southern Region have organized a Wagon Train Drive for the 2022 convention. Come on everyone, climb on board as we wander across the lands of Canada and the USA toward Grapevine, Texas.

As we stop at the various outposts to grab a beverage or a morsel of food, and stock up on supplies for our continued journey toward Grapevine, Texas, we are asking you to help with the provisions needed for our journey by making a pledge. To highlight our 2022 convention, we ask each gander to consider a pledge in any amount by combining any of the numbers in 2022. For example: \$20, \$202, or \$22.

Everyone who makes a pledge and joins the wagon train before June 1, 2022 will receive a surprise at the end of the trail upon arrival at the 2022 convention in Grapevine, Texas.

Our wagon train is rolling, and we need your help. The 2022 Convention thanks every gander for whatever contribution they can make.
