Last Month

Seven impressive & dynamic Ganders attended the May gathering.

At our May meeting Judy Warren from Cane Russo was in attendance from Cane Russo and shared with us the story of Cane Russo. In addition we will be collected items and obtained donations totalling \$294 for this animal shelter. Ms. Warren also presented some great insight in to possible volunteer opportunities that the Texas Pond membership could possibly engage in for the future.

On May 18, 2023 a check for \$1,500 from our New Year event was delivered to Scottish Rite Hospital for Children. The Texas Pond undertook Scottish Rite as one of our charity endeavors in 2010-2011 Blue Goose year. Besides monetary donation we also collected books for the

kiddos until the pandemic occurred, whereby several constraints were put upon organizations donating items, so we had to cease that portion of our charity action for Scottish Rite. Over the years we have donated \$36,532 to Scottish Rite.

Scottish Rite for Children is grateful for this year's \$1,500 donation from our phenomenal friends at

Thoughts to Ponder

"No one has ever become poor by giving."
— Anne Frank

"It's not how much we give but how much love we put into giving." — Mother Teresa

"You have not lived today until you have done something for someone who can never repay you." — John Bunyan

Insurance tidbits

The very first insurance contract was signed in 1347! Although the concept of insurance can be traced back to ancient civilizations this was the first record of a signed contract. Whiskey Manufacturer in 1971 offered \$2.4M to anyone who could capture the Loch Ness Monster and guess what Lloyd's of London was asked to underwrite this risk. Gene Simmons of Kiss once insured his tongue for \$1M. Most of all though we hope some of our fellow Ganders or Goslings will take this to their next client meeting or boss on an uninsured risk that should be investigated. UFO Abduction Insurance Company in Altamont Springs, Florida sells a \$10M alien abduction policy, this company has actually paid claims and has sold over 100,000 policies.
